This special *Evening of Spirit Communication* follows over one year of work, study and development. Now, it is time for the students to take an important step: working before the public.

You can support them by attending the first of what will be regularly-held events. Rev. Simeon will welcome everyone and give a short lecture. Students working on this evening will be: **Angela DuPree**; **Suzan Porto**; **Charmaine Rawsthorne**; and **Barbara Richardson**.
